CIRCULAR 56/2016

STEERING COMMITTEE NOMINATIONS

We advise that following the recent workshop held at Edenvale Bowls Club on 27 August 2016 it was agreed by Council that Bowls SA convene the following Steering Committees in order to complete various projects. It would be appreciated if Districts could provide the office of Bowls SA with nominations before the Bowls SA Strategic Planning Meeting taking place on 22/23 September 2016.

- **Constitution Steering Committee.**
Individuals will be expected to contribute in formulating a Constitution for Bowls SA acceptable to SASCOC and to the Council of Bowls SA. It is expected that this project could take up to three years to complete the process.
- **Database Development Steering Committee.**
This committee will be tasked to develop a generic Draw and Scoring system, initially for the Bowls SA National Championships.
- **Business League Steering Committee.**
This committee will be tasked to develop the registration process required to register individuals participating in business leagues onto the official database of Bowls SA.
