**WARWICK: BOWLS SA NATIONAL CHAMPIONSHIPS – 2013**

We advise that it was decided at a recent executive meeting to abolish the pre-qualifying singles event at the above championships. For ease of understanding the process to gain entry into the singles is detailed below:

Districts are required to confirm to the tournament committee their singles qualifiers on or before 29 April 2013. The number of qualifiers for each District is determined through the volume of membership at the District. Districts are expected to have completed their local singles events before 28 April 2013. Should qualified individuals not be available to participate in the national event, Districts are permitted to fill these vacancies at their discretion.

Should the tournament committee experience vacancies through the District not filling the opportunities or through withdrawals, the tournament committee shall open a register whereby players at the tournament may enter their names. Should there be more names on the register than opportunities available, a draw shall be conducted according to the number of vacancies to be filled.
