CIRCULAR 14/2008

PLAYERS RECORD FORMS

Once again it has become necessary to address the non submission of Record Forms by those players who, with the endorsement of the District believe that they have established a strong enough record to be considered for selection by the National Selectors.

It is the responsibility of the players to ensure that these completed forms are submitted to Bowls South Africa on a regular basis and most certainly if there is any change from the form previously submitted.

In turn it must be the responsibility of the District, both the Secretary and the Selectors to ensure these forms are sent in on a regular basis.

In order for the National Selectors to update their records it would be appreciated if all players in the open and senior tournaments, who wish to be considered for future selection hand their updated forms, countersigned by the Secretary to the Manager's of their teams for them to hand to the National Selectors at the Inter-District Tournament.
