CIRCULAR 21/2008

OUT - DATED BOWLS

Bowls South Africa has decided that Bowlers may continue to use "out - dated" bowls in official tournaments played in South Africa until further notice. The only exception shall be for those players taking part in the South African Masters and International events. It is however, not acceptable to allow for bowls which may have been tampered with in any way.

It is not economically viable for Bowls South Africa to purchase testing equipment and for this reason we are therefore forced to rescind our previous decision.

Kindly inform the clubs in your District.
