CIRCULAR 47/2008

TECHNICAL OFFICIALS & COACHES – EXAMINATIONS

It has been brought to our notice that examination papers for the above qualifications are being completed in pencil in some Districts. Please ensure that this practice is discontinued and that all examination papers are completed in ink on all originals.

I have also been requested to bring to your notice that the “spreadsheet” accompanies all applications for certification. The information detailed on the spreadsheet assists with rewarding credits to candidates applying for certification in a different discipline.
