WORKSHOP FEEDBACK BOWLS SA STANDING COMMITTEES

The workshop held from 30 Oct to 1 Nov at the Willowdale Park Conference Centre in Jhb, was the brainwave of Debra Ferguson! It has smoothed the way for all the Standing Committees to co-operate together and to be au fait with each others objective and goals. She has managed to show the way and to guide standing committees to walk hand in hand on the same road with set goals and deadline dates in mind.

LET'S CHANGE TO MAKE A CHANGE!!!

*"If you focus on results, you will never change.
If you focus on change, you will get results"*

Many times in order to survive we have to start a change process. We sometimes need to get rid of old memories, habits and other past traditions. Only freed from past burdens, can we take advantage of the present!

BUSINESS LEAGUES SURVEY

In order to determine to what extent the '**Business Leagues Project**' was successful a survey was conducted. It was amazing to see the results! 77 Clubs throughout the country stage annual Business Leagues with ±4484 corporates and non-bowlers participating. These figures exclude any other events as mentioned above, open days, etc.

This surely is a sound **investment in the future of bowls!** These players have experienced the joy of the game and are sure to be back to join as members some time in the future. They also become our ambassadors spreading the word that bowls has changed, is a lot of fun and no longer just a game for the elderly.

GEELTRUIE WENSPAN! Gesien in die foto is die wenspan van die Strand Rolbalklub se jaarlikse **Besigheidsliga (SBL) toernooi**. Die vier trotse dames van links na regs is Nikki Naude, Leana Scott (Skip), Anelle Koeglenberg en Marita de Kock van die maatskappy '**Marita Blindings**', het met die louere weggeloop. Dit is die tweede agtereenvolgende jaar wat Leana die wenspan geskip het. Hier is nou talent!

Die span wat elke week wen ontvang die geeltrui wat hulle tydens die volgende rondte moet dra (dieselfde konsep as 'Tour de France').
