CIRCULAR 11/2009

NATIONAL DEVELOPMENT STANDING COMMITTEE

It gives us great pleasure to confirm the appointment of Aloma Smith as the Convenor of the National Development Standing Committee with immediate effect.

We are confident that her energy and understanding of the requirements to develop Bowls in South Africa will benefit our sport. Her contribution to the sport has been significant and we all look forward to developments in the years ahead.

This appointment has been brought about through the resignation of Herman van Rensburg who has taken up a position with a new employer. He is unfortunately no longer in a position to devote his time and energy to Bowl South Africa. We are extremely fortunate to have had his contribution and leadership and wish him every success in his new endeavours.
