21 April 2009

TO: ALL DISTRICT SECRETARIES

CIRCULAR 22/2009

UNDER 25 INTER-DISTRICTS

A proposal was adopted at the last annual workshop to separate the above tournament into a Men's and Women's event. This decision was taken by Council in the interests of developing Women's bowls in South Africa.

We have received a few applications from some Districts, who are not in a position to enter a Women's team in the above tournament, to combine their players with other Districts. Bowls SA does not wish to exclude these Women from the competition and has therefore decided that depending on the numbers involved a few extra teams will be permitted as President, Vice President and Executive entries. Districts will be assisted with costs and the financial support will be advised after the next Executive meeting on 2 May 2009.

Districts are however, requested to indicate whether they wish to participate as before mentioned and therefore provide us with the names accompanied with a short CV. These names will be given to the National selectors who will be requested to select appropriate teams. This interim measure is not in conflict with the spirit of the competition whereby Districts compete against each other for the medals on offer.

Kindly forward your submissions to Bowls SA on or before 29 May 2009.
