TO: ALL DISTRICT SECRETARIES

CIRCULAR 29/2009

**BOWLS SA RED CARD DATABASE LISTS AND INVENTORIES FOR
BOWLS SA DEVELOPMENT EQUIPMENT- BOWLS AND MATS**

A number of requests have been sent to all the Districts by the Development Standing Committee requesting confirmation of what stocks of Bowls SA Development Bowls and Mats the Districts are holding. There have been further requests for Districts to submit their annual updated Red Card database lists to the Bowls SA Development Standing Committee. The responses to these requests have been disappointing.

It has been decided that if Districts fail to return both the Bowls SA Red Card database and inventory of stock lists that the Bowls SA Development Standing Committee is to arrange for all stocks to be returned for re-distribution to those Districts who have complied.

It is imperative that the Bowls SA database be submitted in order to determine which Districts are actively involved with development. Districts are also reminded that Bowls SA is sponsoring the Red Card players at the Under 19 Tournament in George during July. It is a requirement that Districts ensure that all their un-affiliated players, especially those that will be playing in the Under 19 Tournament are recorded on the Bowls SA Red Card database.

The Bowls SA Development Standing Committee is currently in the process of approving requests from Districts for additional development equipment subject to their compliance of the above requests.

Reg Misselhorn of the Development Standing Committee will make the necessary arrangements with the relative Districts who fail to respond for the return of all their stocks of bowls and mats.

Kindly direct your returns and any enquiries to either of the following:
