CIRCULAR 69/2009

SQUAD SELECTION CAMP

The National Academy has been re-structured and consolidated with the National Selectors Standing Committee. The purpose and vision of the new Academy is to expand its view and identify additional talent throughout South Africa. The re-structure has resulted in additional squads being established namely, Green, Ruby and Silver in order for individuals to receive specialised training and eventual promotion into the Gold Squad.

The Green Squad becomes the feeder squad into the Gold Squad and consequently the Ruby and Silver Squads the feeder squads to the Green Squad. The functions of these squads will be presented to Council at the meeting scheduled on 13 February 2010.

With the above in view it gives the Executive and the National Academy great pleasure to advise that the following players are invited to attend the above camp in order to be assessed and possibly gain selection into the Green, Ruby and Silver Squads. The camp will take place 20-22 March 2010 at Wingate Park Country Club in Pretoria.
