TO: ALL DISTRICT SECRETARIES

CIRCULAR 02/2010

BOWLS SOUTH AFRICA – TOURNAMENTS

We draw your attention to circular 21/2008 and confirm that it is unacceptable for players to participate in official tournaments with bowls that have been tampered with or altered in any way. Districts are requested to bring to the notice of their members that Technical Officials may inspect their bowls at any time during a tournament.

In sympathy with weight restrictions on aircraft it is agreed that players may travel to tournaments with two bowls where only two bowls are required i.e. The Inter-Districts.

The only exception to the above remains the South African Masters and International events when a full set complying with the manufacturers ten year stamp applies.
