TO: ALL DISTRICT SECRETARIES

CIRCULAR 16/2010

NUMBER OF GREENS PER CLUB

Bowls South Africa is required to record the following information in the Annual Report as at 31 March each year.

- Number of Clubs per District
- Number of Greens per Club/District
- Numbers of Men and Women members per District.

Included in Circular 63/2009 was a request to have clubs in your District capture the number of greens in each club. This request has largely been ignored.

Kindly instruct all clubs in your district to update the “Number of Greens” field on the Database by 31 March 2010.

In order for me to ensure that the numbers of clubs held on the Database agrees to your tally, please let me have a list of clubs for your District.

All other information is available to me on the Database.
