**INTEREST IN LEVEL III COACHING COURSE**

The National Standing Committee for Coaching (NSCC) would like to invite all Level II coaches interested in upgrading their qualifications to Level III to contact Dix (see below) for further information. The course will be presented 26 September 2010 – 1 October 2010. Any currently active Level III Coaches are also invited to attend the course as a Refresher of their qualification.

All travelling, accommodation and course costs will be covered by Bowls SA. The venue for the course will depend on the location of applicants, to minimize travel arrangements as far as possible. Please note that a minimum of 10 candidates will be necessary in order to run the course. In the event that there are fewer applicants, these will unfortunately be obliged to wait for the 2011 course presentation.

After registration of interest, all applicants will be required to submit a pre-course project for final selection to the course, attend the entire course and participate in all activities; and finally submit an acceptable post-course project before their Level III status will be awarded. In addition, the applicant is required to be an active coach, have coached for a minimum of 300 hours, be computer literate (basics only required) and be in possession of a Level 1 Technical Official qualification. The applicant's Club (Executive) and District (DSCC & Executive) are required to support the application.

For further information or a **request for the application form(s)**, please contact Dix on 082 220 3737 or [dixie@nmmu.ac.za](mailto:dixie@nmmu.ac.za) (Secretary of NSCC). **Please register your interest by 31 May 2010.**
