27 May 2010

TO: ALL DISTRICT SECRETARIES

CIRCULAR 32/2010

TRAINING OF TRAINERS - TECHNICAL OFFICIALS

The National Standing Committee: Technical Officials (NSCT) is planning to hold a training seminar to train District Standing Committee's (DSCT) in the art of presenting courses. They experienced a great improvement in the quality and quantity of courses conducted in some of the districts after two similar courses were presented last year. To ensure there are sufficient trained facilitators in each District they have decided to train an additional facilitator in each district and also to give the districts who did not send representatives to the previous courses a chance take this opportunity.

This course will be held either at Hartenbos or Amanzimtoti during the last two weeks in October 2010. The course will be from a Sunday evening until the following Saturday morning.

Possible date will be as follows:

17 - 23 October or alternatively 24 - 30 October 2010

They would like to have one delegate from each of the (DSCT) but from the following Districts they would appreciate having more than one delegate.

Sedibeng:	2 delegates.
Eastern Gauteng:	2 delegates
Limpopo:	2 delegates
Kwazulu Natal:	3 delegates

Bowls South Africa will carry the costs of all delegates attending this course.

Kindly discuss this with your Executive and identify a person or persons to attend the course. Once the date and venue is finalized a nomination form will be send to you to officially nominate a delegate or delegates. (Nomination forms will dispatched by 31 July 2010.)
