NEW AGE BOWLS – PROMOTION & DEVELOPMENT

We are pleased to advise that the “new age bowls” which were presented at the National Standing Committee – Promotion & Development (NSC-PD) meeting held in Potchefstroom are now available from the manufacturer.

Bowls SA will collate any orders from Districts and place your requirements with the manufacturer as a bulk order, in order to enjoy the discounts on offer. These will be passed onto Districts and we predict the cost amounting to R 1 000.00 per set.

As a special “once-off” offer, the National Standing Committee – Promotion & Development, through their Lotto Project, will carry the cost of an additional set for each set ordered.

These bowls are intended for demonstration at events to promote our sport and can be used on any surface i.e. concrete, tar or grass etc. They are not intended for use in competitive play however, the bowls can be employed on the greens to demonstrate the sport. The bowls are only available in one size which is approximately a size 0 (naught).

Kindly discuss your requirements with your District Standing Committee- Promotion & Development (DSC-PD) and forward your orders to John Ravenscroft on or before 21 February 2011.
