**TO: ALL DISTRICT SECRETARIES**

**CIRCULAR 15/2011**

**PLAYER RECORDS**

The "Player Records" section on the database needs attention and we request that District Secretaries circulate a copy of this circular to their respective clubs.

In order to assist selectors at club, district and national level we request District Secretaries to prompt their respective Club Secretaries to enter the playing records of their members onto the database. A manual to assist the process is available on the system. It would be appreciated if the information could reflect at least the last two years.

The completion of this exercise would ensure that their members are considered when invitations are extended to talented players to attend the various T.I.D camps and for their members to gain recognition.
