CIRCULAR 8/2012

BOWLS SA TOURNAMENTS

We advise that the Executive have decided that in sympathy with the new weight restrictions published by airlines, bowlers travelling to national events may in future take only the number of bowls required to participate in the event.

In effect this means players participating in the Inter-District Championships no longer need to arrive at the event with a full set of bowls. This also applies to those players who may be taking part in the national fours.
