CIRCULAR 1 / 2012

BOWLS SA COMPETITIONS

We find it necessary to advise that entries to participate in Bowls SA events and in particular the Warwick : Bowls SA Nationals must consist of full members from the same club.

Players may however, represent a dual club providing that they gain written permission from their club of first choice (the club from which their affiliation fees are paid), that the club has no objection to them representing their dual club during the event. Players should take this written permission with them to the event as the Tournament Committee will request a copy once they confirm that the players are fully paid up members.

Bowlers are reminded that they should confirm their intentions with their respective districts, should their dual club be located in a different district, as certain districts specifically exclude their members, through their constitutions, from representing other districts.
