CIRCULAR 36/2012

Lawn Bowls Coaching – The Reference Book for Level 1 Courses

The publication, Lawn Bowls Coaching, is still only available to candidates attending Level 1 courses run by District Standing Committee: Coaching (DSCC) s. Once the book has been completed, it will become widely available for sale.

There are currently two alternatives available to gain access to the information.

Option 1: CD

The candidate orders a CD, through the district with the book in .pdf format, at a cost of R20.00, from Bowls SA Head Office. Please note that candidates need to consider the following cost for each copy should they wish to convert the information to hardcopy:

- A presentation, 4-ring binder
- Printing 356 pages back-to-back – 79 of which are in colour,
- Punching of pages for 4-ring binder
- Printing a single-side cover page in colour to place in the binder cover's (email the sponsor's logo to Dix and she will create a cover acknowledging the sponsor)
- Printing & cutting the spine in colour to place in the binder spine
- An inkjet white CD (that you can get the cover printed on)
- Printing the CD cover
- Burning the CD with the Appendices documents
- Labour of putting each copy together

Should candidates choose to only print those pages explicitly used during the Level 1 course, the implication is the following: It would be more beneficial for the candidates to purchase the entire book as in option 2 should they wish to progress further with their coaching career as the printing costs could become excessive to print copies of further material when trying to qualify for further levels of proficiency.

Option 2: Printed Book

The District orders the printed book from NSCC member Dix (dixie@nmmu.ac.za) at a cost of R300 per publication. She will send them directly to the street address provided with the order via road transportation. This order, of the exact number of books required, must be placed at least 10 working days before they are required. She will send an invoice for payment, inclusive of the transportation costs which must be made prior to the books being dispatched.
