CIRCULAR 55/2013

NSCC: Registration of Interest in Level 2 Coaching Course

NSCC is planning to hold a Level 2 course mid-year during 2014. The formal application documents will be distributed at a later date, but for planning purposes, they need to know how many potential candidates there are and where they are from around the country.

Therefore, please find out from your district's Level 1 coaches, who would be interested in upgrading their qualifications and whether they would be available around June/July 2014 to attend such a course – usually from a Sunday (pm) through to a Thursday (am). Please copy the following table into a word processing or spread sheet document, with the district name as part of your file name, and complete the required information:

| | Surname | Name | Date Qualified | Date Last Refresher | Total Hours | 2013 Hrs to Date | Race |
|----|----------------|-------------|-----------------------|----------------------------|--------------------|-------------------------|-------------|
| 1. | | | | | | | |
| 2. | | | | | | | |

This document should be emailed to Dix (dixie@nmmu.ac.za) as an attachment, by 15 December 2013.

In addition to the above, your liaison coach will shortly be contacting you regarding the racial & level breakdown of the coaches in your district. NSCC is preparing the national list of coaches in anticipation of the submission of the 2013 hours information in February 2014.
