**CIRCULAR 60/2013**

**SPECSAVERS : BOWLS SA PRO 10 – 2014**

In order to create a measure of consistency with arrangements in respect of District events kindly be guided by the following:

1. The District winners & runners-up need to be advised to Bowls SA on or before 30 June 2014.
2. The number of entries into the District event may be determined by the District.
3. Districts are entitled to retain the entry fees for their own account. Districts are also permitted to set the amount of the entry fee per team.
4. Green fees of R 10.00 per player per day are to be collected and these fees may be retained by the clubs where the events are taking place.
5. Districts should raise an invoice to Bowls SA for R 5 000.00 which represents the prize money at District level.
6. SpecSavers advise that promotional material is not retained by individual stores and this material needs to be sourced through the promotions department at their head office. Districts should advise the office of Bowls SA, at least two weeks prior to the District event and SpecSavers will arrange for the relevant material to be dispatched to the local outlet in the area.
7. The attached "Conditions of Play" have been prepared for the national event and these may be adapted by the District for their qualifying event.

**It would assist Bowls SA, with arrangements, if Districts could indicate on or before 13 January 2014 exactly when their District event is scheduled to take place.**
