**CIRCULAR 04/2014**

**LAWS OF THE SPORT OF BOWLS – SECOND EDITION**

We refer to our previous circular 01/ 2014 in which we informed the membership that Law 37.1.9 had been reviewed and that in future the Skip could delegate any of his duties to a suitable member in the team. This means that the Skip can in fact delegate keeping the scorecard.

Bowls South Africa decided to implement this law change immediately considering that we are at the start of our season in South Africa. Furthermore, we issued this decision in good faith in view of the certainty that this law will be adopted in August and as there are no countries against the amendment.

It is with regret that we inform you that World Bowls has insisted that we retract our decision until after the law change has been officially approved in August 2014.

A handwritten signature in black ink, appearing to read 'John Ravenscroft'.
