It has been suggested that having the under 19 event in a different town effects the entries because parents with children in both events cannot watch both.		
Some districts have suggested that separating men and women have made it difficult to field a team for both genders.		
Some selected venues are too expensive to travel to. Venues should be more central.		
There is not enough interest among bowlers in this age group in our district.		
People in this age group find it difficult to get leave for this event.		
District finances are a severe restriction to entry.		
Player finances are a severe restriction to entry.		
Please give other reasons:		
What recommendation can you make to attract more district teams?
