**CIRCULAR 23/2014**

**NATIONAL PLAYERS RANKING SYSTEM**

We take pleasure in advising, together with Perfect Delivery Brokers and further to circular 11/2014, that we shall in partnership, launch a Players Ranking System. The details and calculations incorporated in the system were agreed at a meeting of prominent individuals under the chairmanship of Allan Freeman. The launch date shall be advised in due course.

The entire system will operate on the Perfect Delivery I.T. platform. It should be noted that the ranking system adopted by cricket operates successfully on the Coopers & Lybrand I.T platform. Our ranking system shall not form part of the National Selection Criteria and it is only intended to stimulate interest among the top competitive players in the country.

It should be noted that the players will electronically input their own success at tournaments. The system works with points being allocated for success at the various tournaments. All points for tournaments are allocated on an equal basis, the only exception being District events where the points are weighted according to the size of the District. The system caters for the following tournaments:

- District - Open Singles, Fours, Trips & Pairs.
- Regional - Gauteng Open, Natal Open, All Cape & All Free State.
- National - Open Singles, Fours, Pairs, SA Mixed Pairs & SpecSavers Pro 10 Pairs.
