CIRCULAR 56/2014

POSTAL STRIKE

The current Industrial action by the Postal Workers Union is causing major interruptions to the countries postal delivery service. The longer the strike, the bigger the back-log will become.

Therefore, we urge all our District offices to hold back any orders for Bowls South Africa publications, until the situation returns to normal.

We will not be posting any publications or membership cards for the time being. However, districts within the Gauteng area may collect any orders and cards from Bowls South Africa's office, should they wish to do so.

Should there be urgent requests for publications and provided the size of the parcel warrants sending via Courier, this can be arranged. The cost will be passed on to the District.
