

PERFECT DELIVERY RANKING SYSTEM

There is a lot of excitement about the launch of the Perfect Delivery Ranking System at the start of the 2014/2015 season. We hope it will become one of the most important mechanisms to indicate rank and participation of bowlers. In addition, we trust that it will give all non-participating bowlers (spectators) the opportunity to follow the progress of fellow club members and bowling friends.

Perfect Delivery initiated the development of the ranking system. Currently there is no ranking system for bowlers and although we realised it could create a lot of dissatisfaction and complaints, we decided to go ahead with the development of the system. Of course there will be teething problems and the system may not satisfy all bowlers, but we hope that bowlers will provide constructive feedback to help us improve the system to the point where we will have a ranking system that will be fair to most bowlers.

During the development phase we consulted a task team of Bowls SA executive members, national team manager, Bowls SA player representative and Protea player, District President and provincial players. All input, yours too, is of the utmost importance and we welcome all feedback!

How to register as a participant (participating player who wants to be ranked) or spectator (bowler who is not interested in being ranked, but wishes to follow the progress of fellow bowlers according to the system)?

- Go to the Perfect Delivery website – www.perfectdelivery.co.za
- Click on “Perfect Delivery Club”
- Register under “Sign Up” - entering your e-mail address and password
- Click on “Perfect Rank” to participate
- Complete your profile
 - Indicate if you want to register as a spectator (non-participating player)
- Once you have reached the last 16 or better of the qualifying tournaments, you should add your results (under “Add Results”)
- Click on “View Results” to view the rankings of participating players. View the results according to National, District or Club levels. You may also look at combined rankings or separate rankings for men and ladies.

Please read the “FAQ”. It explains the ranking system, as well as the background of the Perfect Delivery Ranking system.

Good luck to all participants! We hope you will have a fantastic bowls season, marked by much success but most of all, a lot of fun!

Kind regards
