CIRCULAR 20/2016

**Level A – Assistant Coach Training Material & Certification &
Recommended DSCC Modus Operandi**

The training material for the Level A – Assistant Coach – training & certification has been approved. This material can be accessed by going to the following link: <https://goo.gl/t8XnX6> (Ctrl-Click - or type into the address-bar of your browser) – open the Level A folder to find all the files.

Note that the Level A course is aimed primarily at school-affiliated teachers, to co-ordinate school playing sessions at local clubs and assist club coaches at these sessions. Interested affiliated Club members could also participate.

All courses run at local clubs throughout the district, should be held under the auspices of the District Standing Committee for Coaching (DSCC), with DSCC-appointed facilitators, who would need to have the minimum of a current Level 1 qualification, with appropriate experience.

In addition, an updated DSCC Modus Operandi is also provided (in the Modus Operandi folder of the above link) for adaptation by Districts to suit local needs – this MO should form part of the official documents – e.g. By-Laws – of each District.

The Coaches Info shared space link, published in Forum 38, proved problematical – please email the updated link to all the coaches in your District - <https://goo.gl/LgKeiB> - the new link will also be published in future Forums.
