CIRCULAR 25/2016

DISTRICT STANDING COMMITTEES

We advise that as part of Bowls SA's commitment to and in compliance with SASCOC requirements we are obliged to supply them with information regarding the committees within our structure.

SASCOC and the Department of Sport & Recreation regard coaching as the foundation and the departure point of all players' performance pathways. In addition, the Executive are convinced that what is planned from the National Standing Committee: Membership & Marketing (M&M) cannot be achieved without direct involvement from Clubs and Districts.

It is vital that we adopt a united front to grow membership and to achieve excellence. The voluntary services by members across the entire spectrum of membership are deeply appreciated. We could not hope to move our sport forward without these committed volunteers.

We appeal to all Districts to assist us to comply and to establish & support these structures of excellence within the Districts. The various National Standing Committees of Bowls SA can assist the Districts with the division of tasks and to establish common objectives.

It would be appreciated if Districts would complete the attached schedules and return these to the office of Bowls SA on or before 30 April 2016. These District Standing Committees should reflect at least three (3) members.

1. DSC for Coaching
2. DSC for Transformation and Women in Sport.
3. DSC for Membership and Marketing (M&M) (the old Development)
4. DSC for Technical officials.
5. DCC for Greens.
