YOUNGEST TECHNICAL OFFICIAL

At 12 years old, Wihan Fourie made the news as being the youngest Level One Technical Official.

Wihan, from Ammosal B.C. in Uppington completed his markers course earlier this year. During the weekend of 24-26 September 2010 a Technical Officials course was held in Kimberley. For the Fourie family it meant travelling - a whole 410km away from home! The course, attended by a group of 6 bowlers, was completed over one weekend and a period of 21 hours.

Wihan het in 2009 begin rolbal speel en is in 2010 verkies tot die Noordkaap se onder 19 span. Die span het gedurende die jaar deelgeneem aan die onder 19 Interdistrikte toernooi wat gehou is in Nelspruit. Wihan se ouers, Bernard en Annalise, sê tereg: Ons is baie trots op hom, aangesien hy uit sy eie gevaar het om die kursus by te woon.

Congratulations Wihan! Hope to see you play, mark and umpire for a long time!

World Firefighters Games
2010 DAEGU KOREA

From various sources the following report: “The World Firefighters Games is a major sporting event for firefighters across the globe, are held biennially and offer approximately 67 different sports including: Archery, Track and Field, Rugby Sevens, Windsurfing, Poker, the Firehouse Cook-off (for which South Africa took gold), Fire Truck Challenges and the flagship event - The Toughest Firefighter Alive competition”.

The 11th World Firefighter Games were held in Daegu, South Korea during August 2010. Team South Africa did extremely well, returning home with 23 gold medals, 21 silver and 12 bronze. Overall, South Africa came ninth out of 40 countries.

Lawn bowls were also played and Cape Town’s Francis van der Byl took gold in both the Men’s Singles and Men’s Pairs. Partner in the pairs, Steve Abrahamse took silver in the singles (30 participants).

Come on South Africa, there is a firefighting group of young men and women in your town – invite them to your club, show them how to play and let them be invited to share in these games!

The photograph is that of the lawn bowls participants after the pairs – note the three South Africans in the centre, the SA flag and the banner above!

LOTTO DEVELOPMENT BOWLS

A large consignment of development bowls have arrived and are now in stock. Districts can apply for development bowls by contacting the NSCPD subject to certain criteria.

Bowls SA under 19 Development Tournament, if such a player is NOT REGISTERED on the new Database. The application forms were also circulated with the letter and need to be completed by a club, once the club committee has accepted the players he/she becomes a registered development player and must be listed on the Bowls SA Database under the Development Players Section. If incorrectly placed such can lead to clubs being invoiced for affiliation fees. Please work closely with your local district office and study the letter and guidelines carefully.

Note: The registered unaffiliated under 19 development players may still only participate in games between themselves and may not play in official club tab-in days or participate in any other competitions on Club, District or National Level. These players may only do so ONCE THEY BECOME AFFILIATED MEMBERS and have paid annual fees towards both district and BSA.

DISTRICT DISPATCH

From the Northern Cape and North West with stop over's in the Free State we zip through Gauteng into Limpopo, back to Mpumalanga to Kwazulu Natal and last but not least Eastern Cape and the Western Cape for a JOURNEY of Bowls happenings throughout South Africa!

BOWLS GAUTENG NORTH

Taken from the BGN newsletter the under 19 coach, Mynx Marais reported. "On Sunday 17th October a fund raising event for the U19's was hosted at Capital Park. Marissa Fourie was in charge of the organization thereof with the willing assistance of the rest of the youngsters' parents. There was an excellent turnout of 28 teams. All funds collected will go towards ensuring that as many teams as possible, appropriately dressed, will represent the District in as many events as possible. The U19 team of Llewelyn Geyer, Corlise Fourie, Ashley Dampier and S.P Botha won the event with a full 20 points and a score of +40."

BOLAND

Another district that is doing major work is Boland. News in from Leon Meyer is that the bowlers in the Boland district really enjoyed the *Commonwealth Games* which one could follow on TV. This of course had an influence on local bowls with clubs reporting that coaches are working hard at giving the basics through to new interested bowlers.

Die Ontwikkelingswerksinkel gehou op *Potchefstroom*, bygewoon deur distrik verteenwoordigers Leon Meyer, Basie Louw en Al Canonne het verder bygedra tot hierdie nuwe vibe in Boland.

Weskus Militêre Rolbalklub het op 4 September 'n besigheidsdag gehou met 14 spanne wat ingeskryf het. Die mans en dames het dit baie geniet. Die dag het daartoe gelei dat drie nuwe lede aangesluit het.

Langebaan Golf en Sport Rolbalklub is besig om spreiligte op te sit. Rolbal kan mos in die aand ook gespeel word en die manne en dames wat werk kry ook so 'n geleentheid om in die week te speel. Die klub maak tans reg vir die inwyding van die ligte.

Another club in the district that has recently made a big effort in marketing the sport of bowls and recruiting some players is the lovely country club of *Bonnievale*. Aan stuur van sake is Boetman Wentzel en sy komitee met onder andere Kobus le Roux en Hennie vd Merwe wat betrokke is by die Jeugliga. Berig Theuns Coetzee, een van die aktiewe spelers in die klub en ook betrokke by die nuwe "liga", dat "ons klub die afgelope ses maande ongelooflik gegroei het, die gemiddelde ouderdom van die nuwe lede is 45 jaar". Die klub se een baan het nuwe spreiligte gekry wat bygedra het tot die afloop van die sukses verhaal.

Die toernooi is begin deurdat 4 spelers elk nog een persoon moes werf, elk van die spelers weereens een persoon wat dadelik 'n totaal van 16 spelers gegee het! Die klub het "pas klaargemaak met die "1 Trijoen Zimbabwe dollar" wisseltrofee kompetisie wat deur 'n total van 28 lede gespeel is en 'n gemiddelde bywoning van 98%! Almal het teen mekaar gespeel. Die trofee wenner was die lid met die hoogste gemiddelde na al die wedstryde". Baie van die spelers was voorheen betrokke by ander sportsoorte.

Herewith a couple of facts:

- No entry fees were paid by entrants, only green fees.
- The tournament were held over a period of 12 weeks, spread to give time for practise and time out.
- All players were new to the game of bowls, only non bowlers were allowed to take part in this tournament
- If for some reason a player could not play it was up to such a player to find a substitute – getting more people!
- The club members assisted and provision was made for bar facilities, something to eat and entertainment.
- Some of the rules and regulations were re written in a fun way to make it more interesting for all to follow.
- All results were send by e-mail to participants and many a conversation around the braai fires were the current standing of each player after each week.

Each night of play, four players played against each other on a rink, scoring was based on what some knows as consistency play i.e. closest shot is worth 4 points, 3 for the next, etc.

Well done Bonnievale, keep up the good bowling amongst your neighbouring clubs.

EGB

Our Coaches Standing Committee have been very busy with the Talent Identification programme. Over 80 bowlers have already been through the Identification programme, the Coaches have organised that the TID is held in each of the zones, and clubs are sending there candidates.

The Development Standing Committee is busy arranging workshops to give clubs the necessary feedback from the National Development Workshop.

NOTE FROM THE EDITOR Some articles do not lend themselves to translation i.e. the stories received from the districts. Some might appreciate their articles published in Afrikaans. Please give us some feedback... either the whole newsletter should appear in English or the sections in Afrikaans must appear separately. Also see the new column to follow re YOUR views regarding Marketing, Recruitment and Development.

KZN

The KZN representatives Malcolm Webster and Anil Durgadin attended the Bowls S.A. Development Workshop. Since then Malcolm has submitted his summary report and objectives to the KZN Executive for approval.

The Newcastle Bowling Club hosted a very successful bowls marketing and team building day for a private company on 17 September. Entrance fee per person were R70.00 which included a braai pack (typical South African) and 31 members from this company took part. This was the first corporate event for Newcastle BC and enabled them to gain experience to hold similar events. Four people have shown keen interest in joining the club. The district trailer with the 18 sets of bowls was used on this day to support the event. All clubs in KZN have been made aware that this equipment may be used when holding bowls development events.

Newcastle Bowling Club is also holding their annual Business League, which is played on a Thursday after 17h00. It is also hoped that new bowlers from the business league will join the club.

LIMPOPO

Thank you to Limpopo, especially Rina van Wyngaard, for a very up to date and complete report! It is with pleasure that one can read of all the success stories that is happening!

HOEDSPRUIT:

Die klub wat "meerendeels van die Lugmag se lede afhanklik is", staan blykbaar nie terug vir enige klub in die provinsie nie. Hoedspruit Rolbalkklub is onlangs vereer deur die Lugmag Basis as die BESTE SPORTKLUB uit 19 sportkodes op die basis.

EILAND ROLBALKKLUB:

Die Eiland rolbalkklub met 64 lede is hoofsaaklik afhanklik van vakansiegangers. "Talle toernooie word by die klub aangebied en indien jy nie vroegtydig bespreek nie, is die kansse maar skraal om te speel. Gedurende April tot Augustus 2010 het gemiddeld 100 vakansiegangers rolbal gespeel waarvan 13 persone by die klub aangesluit het".

TZANEEN ROLBALKKLUB:

Besigheidsligas, sosiale aande en vakansiedae wat gebruik word met interessantheide wat georganiseer word deur die klub is van die goed wat plaasvind by Tzaneen. Die jaarlikse Litchi fees is blykbaar 'n fees der feeste....en trek spelers van heinde en verre na die gesogte toernooi. Tzaneen Rolbalkklub het tans 'n ledetal van 59 spelers.

DUIWELSKOOF BOWLING CLUB (MODJADJISKLOOF):

This club has grown with a total of 55%! They have an active business league. Younger players receive coaching. The annual Wolkberg Tournament attracts players from far and wide. Limpopo district is proud of this club.

LOUIS TRICHARDT BOWLING CLUB (MAKHADO):

This club hosted a Zoutnag Tournament which was a massive success. The club, like so many others in the district, invites companies to take part in the business league. With a membership of 46, work hard at what they do best – play bowls!

SABLES

NOORDHEUWEL COUNTRY CLUB (see second page write up) reported that the usual recruitment methods did not always give the desired result. However when the "incentive for existing members to recruit new players was recently introduced whereby existing members receive a discount on annual membership fees for every new member recruited" was decided on the result proved positive. The club have had five new applications for membership in the last two months.

Three members of the Club decided to try their hand at coaching in 2008. Completing his introduction to bowls in January 2009, one of the first students had since become a qualified Level One Technical Official, served 6 months as Competition Secretary and recently were elected as Club Treasurer. Not bad for a New Bowler!

During the past two years "a total of 20 candidates completed there coaching of which 18 joined the Club. All the new members are actively involved in Club activities". Coaches ensure that new bowlers feel comfortable, welcome and assist in arranging their first tabs in games.

The coaches have no set days or times, they decided to rather adopt to the needs of the new candidates

PIETERSBURG BOWLING CLUB (POLOKWANE):

This club is headquarters of Limpopo with an eager President. With 54 members the club is always busy. One of the major marketing events at the club is that of corporate days. Teachers from local schools has been invited to roll up and enjoyed it tremendously.

The club also have fun evenings which assist in exposing the club in the community.

Limpopo se onder 19 span het die afgelope jaar goed gedoen en die klomp jongmense is besig om ons ouer spelers te wys waar Dawid die wortels begrawe het. Ons is baie trots op die span. Bridget Calitz is huidige ons jongste rolbalspeler en is lid by die klub.

POTGIETERSRUS ROLBALKKLUB: (MOKOPANE)

Leerders van Waterberg Hoërskool speel op Dinsdae en Donderdae aande by die klub.

MARBLE HALL ROLBALKKLUB:

Met 18 lede is die klub bly oor die goeie belangstelling van spelers wat wil aansluit.

NABOOMSPRUIT ROLBALKKLUB: (MOOKGOPONG):

Die klub het 'n besigheidsliga aangebied wat baie suksesvol was. Die klub bestaan uit 42 lede.

NYLSTROOM ROLBALKKLUB: (MODIMOLLE):

Die klub se ledetal is 70. Alhoewel 'n klein dorpie, poog die klub om ontwikkeling hul prioriteit te maak.

WARMBAD ROLBALKKLUB (BELA-BELA):

Moenie die hoofsaaklik vakansie-dorp se klub van 70 lede onderskat nie, hier is baie geesdrif!

MOGOL ROLBALKKLUB (ELLISRAS/LEPHALELE):

Die klub het 12 lede en hou gereeld sosiale byeenkomste vir nie-spelers, asook besigheidsliga's.

Well done Limpopo. Keep up the hard work, dedication and your efforts in making the sport grow in your district!

NORTHERN CAPE

From the Northern Cape (see front page news) it has been reported that Wihan Fourie, the youngest TO, has had his first round of umpiring in the recently held fours. The district is rather proud of his achievements. Daar het egter 'n hele paar nuwe gesigte by al vier die Subdistrikte opgeduik (Intervaal, Conroy, Kalahari asook Kimberley) waaroor ons baie opgewonde is. Ek kan nie wag vir die nuwe jaar om te begin nie aangesien daar gretigheid is om ontwikkeling in die Noordkaap te laat slaag. Ons wens al die Distrikte 'n baie Geseënde Feestyd toe en mag rolbal van krag tot krag gaan in die nuwe jaar.

MPUMALANGA

From Mpumalanga it has been reported that the Lowveld had a "successful "Twilight Development Bowls" event from the 6th to the 22 October with an entry of 22 teams! This should assist with a boost towards recruiting new bowlers. The **Ladies Novices Singles** event also drew an entry of 17 players which is undoubtedly a record".

Another training camp was held at Ngodwana between 18/19th September for the U/19 & U/25 group. Due to a lack of participation we will not have a girls team for the inter district U/25's next April.

As a follow up from the previous report of Mpumalanga, the four boys from Piet Retief Bowling Club have had their first success when they won the "Rudi Doyle Memorial Trophy" played recently. They also did very well at the U/19 training camp and almost managed to beat the U/25 team in a challenge

match. The next training camp will be held in February – once more at Ngodwana. Any persons wishing to join them should contact the development officer, Gussie Dick at gusdick@telkomsa.net.

Most of the juniors at the Middelburg Stadium have not been coming to bowls due to year end exams, etc. It is hoped to start up again in the New Year and approach the schools to investigate the start of a Schools League.

SOUTHERN CAPE

News in from Johan Havenga is that in the Southern Cape, in order to improve communication and find common ground on any matter of concern a deputation representing all portfolios in the S.C. Executive have embarked on a Road Show to all clubs. Visits commenced on 9 November and the last one is scheduled for 8th December 2010. This has so far proven to be extremely beneficial. This is in addition to the Development Workshop Feedback to all clubs.

In a first for the Southern Cape an under 45 bowls tournament was held on 6 and 7 November 2010 with a total of 32 entries at Oudtshoorn. Sponsored by Trevor Davis, Vice-President of Bowls Southern Cape in conjunction with the Oudtshoorn Bowling Club there was six prizes, ranging between R2000 and R200 plus a further two for the plate winners were on offer. No entry fee was charged; only a contribution towards refreshments.

Dit was pure vreugde om ons rolbal-toekoms in aksie te sien. Die jongste deelnemer was 16 jaar oud. Parespel is in die 2x4x2 formaat gespeel. Die wenners was Elma Davis en Johan Erasmus met 2 van die o'19 spelers Jason Erasmus en Reggie Jonck in 'n verdienstelike 5de plek.

Wenners Johan Erasmus en Elma Davis saam met Jenny Sinclair en Trevor Davis

Johan Havenga met Jason Erasmus, Reggie Jonck, Jenny Sinclair en Trevor Davis

Also reported from the Southern Cape was that the **Heidelberg Bowls Club** provides a class for the local Christian church school. The children range from the ages of 9 to 16. The emphasis is placed on **enjoying the game of bowls**, but there is also a serious side. For the last two years, 2 floating trophies have been awarded to the winner of the girls and boys singles competition. This year **Mackhayla Graham** won the girls trophy and **Jean-Daniel Kretzen** won the boys trophy. Congratulations! Well done in providing something for the community and at the same time getting the message across that bowls is a SPORT FOR ALL! Apparently the club is also planning a mini tournament in January 2011 while the schools are on holiday.

Good luck and good bowling.
