CIRCULAR 19/2013

LEVEL 0 COACHING QUALIFICATIONS – HIGH & PRIMARY SCHOOL

The National Standing Committee : Coaches (NSCC) has designed two short courses (attached) for teachers to assist learners to play bowls:

1. Primary School - This involves the New Age Bowls which can be used at schools.
2. High School - This involves the teachers on the green as an assistant to a qualified coach. The qualification is valid for four years, after which a refresher course is necessary.

District Standing Committee: Coaches (DSCC) will take responsibility for training teachers in their respective districts – individually or as a school group. Once the training is complete, the DSCC must register the teacher's details (name, surname, ID number and language of choice) with Bowls SA, who will issue the relevant certificate. These requests must be routed through the NSCC Convenor, Brian Sayce for final approval.

Any queries regarding the process should be referred to the relevant NSCC liaison coach.
