**LAWN BOWLS: GREENS MANAGEMENT**

We advise that a book written by Dr. Charles Louw, as an effective guide for turf management, is now available for sale at R 300.00 per copy from the office of Bowls SA. Interested parties should place their orders through their district office. Delegates to the Bowls SA AGM may recall that certain commitments were made by districts to place bulk orders on behalf of their respective clubs.

Dr. Charles Louw's turf management skills have been prominent since 1949, encompassing the SA Greens Board, Convenor of Bowls SA Greens Standing Committee, Honorary Member of the Australian Turf Research Institute and Honorary Life Member of Bowls South Africa.

Charles's book is a compilation of the knowledge he has gained from his many years as a green-keeper. It is both informative and comprehensive and its contents will be of invaluable assistance to all green-keepers who strive to provide a good playing surface for their clubs.
