**CIRCULAR 34/2021.**

**COVID – 19 LEVEL 4 RESTRICTIONS.**

We advise that further to Circular 29/2021 we have received numerous enquiries regarding catering facilities at clubs.

The State President has allowed restaurants to re-open under strict health protocols and therefore it is a decision for each club to decide whether they shall begin to once again serve tea, coffee and light snacks.

The Disaster Act prohibits gatherings and the sale of alcohol. It therefore follows that if the club is able to observe the health protocols i.e., social distancing and sanitizing then the serving of teas etc. may be reconsidered.

This decision by the club should be made in consideration of the COVID-19 situation pertinent in the province in which the club operates.
