U30 INTER DISTRICT PLAYER INFORMATION FORM

As part of BOWLS SA's efforts to deliver high-quality live streaming and promote the talented players participating in the 2024 Under 30 Inter District Championships, we kindly request all players to complete an online player information form. This information will allow us to highlight players during the live broadcast and ensure a better viewing experience for all.

We ask that each player takes a few minutes to fill out the form by **17 September 2024** to give us time to process and gather the necessary details.

Objectives:

Promote Players:

Showcase your skills, achievements, and insights during the live stream.

Better Streaming Experience:

Accurate information allows us to provide commentary and context for viewers, making the broadcast more engaging.

Access the Online Form:

If any players are unable to complete the online form, there will be hard copies available at the event to ensure everyone can provide their information. We do however encourage as many as possible to complete the form in advance.

Thank you in advance for your co-operation.
