PASSING OF BRIAN SNEAG

It is with great sadness that we record the passing of Brian Sneag.

Brian served as President of NABB (now VIBSA) from 1986 to 2000, whereafter he became Honorary Lifetime President of the organisation when Cathy Donaldson became president.

Brian was the Team Manager for many international tournaments, from 1996, with the last one being in Australia in 2008.

He was also the National Classifier for visually impaired bowlers for many years right up to 2019.

“Brian was a fountain of knowledge in the blind fraternity over a vast period, and always made himself available when his expertise was needed.

A gentle soul who always knew how to treat his fellow man. This is a sad time for all of us who had the privilege of knowing him. Who do we call when we need historical background on all things visually impaired now? A true gentleman, a legend of note, who made time whenever he was needed” as quoted by the Secretary of Blind SA.

May his soul rest in peace.
