CIRCULAR 76 / 2025

BSA CERTIFICATIONS

The process for the Certifications for Markers, Umpires, Coaches and Greenkeepers which includes their badges, scrolls, logbooks, letters and certificates will change with immediate effect following discussion taken at the recent BSA AGM. This has been introduced to save costs on printing.

Districts will in future receive the badge and scroll where applicable, the logbook and the relevant number of blank certificates (until stocks of these are depleted).

The district will be sent the PDF of the letter and certificate which they need to print once received from Bowls SA. Districts will receive the above by courier strictly **once** per month. Any urgent or postal requirements will be Invoiced to the District.

Once all stock of the hard copies of the certificates is depleted, a PDF will be sent to all districts which will be used to print the certificate and letter. This will be sent via email for the relevant course certification.
