CIRCULAR 105 / 2025

NATIONAL FEDERATIONS' ATTIRE AND EMBLEMS

The Executive of Bowls SA wishes to remind all players that the wearing of any National Federation's attire is strictly governed by the respective Federation's rules and regulations. Accordingly, such attire may only be worn at events if the individual has been officially selected as part of a National Team for that event, or if explicit written approval has been granted by the relevant National Federation. Furthermore, participation in events within South Africa by teams or players representing any National Federation or country requires prior written authorisation from Bowls SA.

Event organisers are also reminded that the use of any National Federation's emblems is similarly regulated. Written approval from the relevant National Federation must be obtained before any such emblems are used in connection with an event.

A handwritten signature in black ink, appearing to read "Bobby Donnelly", is written over a horizontal line.
