PASSING - PENNY MTEKEZA

It is with great sadness that we record the passing of Penny Mtekeza, on 9 September 2026.

Penny was a former President of Bophuthatswana Bowling Association until the integration of Bophuthatswana into South Africa in 1994.

The bowls journey was not always easy for Penny. He experienced challenges, yet through determination, dignity and a deep passion for bowls, he persevered.

Penny was rewarded for his contribution to bowls by being elected as Manager of the South African Commonwealth Games Bowls Team in Kuala Lumpur 1998.

As we say farewell, we do so with gratitude and respect. May his contribution to the sport of bowls never be forgotten

Condolences to Penny's family and friends.
