CIRCULAR 59 / 2024

ADDENDUM : - IMPULSE LASER MEASURES

BSA recently approved a particular brand of Laser Measure, the **Impulse Laser Measure**, which has been accepted in various countries for Domestic Play. (Reference Circular 42-2024)

The Laser Measure does not form part of the Umpires Kit as listed on pages 122 and 123 of "The Laws of the Sport of Bowls", but can be used as an alternative measure.

Markers may not, under any circumstances, use the Laser Measure while marking a Singles Game. The only measure a Marker is permitted to use is a string measure i.e. a Box Measure or a Bullet Measure.

Players, while playing tabs-in games, Club Competitions, District or National Competitions may use the Impulse Laser Measure.
